Dear Colleague,

The Governors have received an application from:

_____ (parent/guardian)

_____ (address)

on behalf of _____ (child)

and your name has been given as a person from whom we may seek further information.

When applying our Admissions Criteria, the Governors rely heavily on information from local clergy and ministers. We appreciate that this request may place you in a difficult situation and that individual circumstances and parish policies vary considerably.

The Governors suggest that this form be completed after consultation with the parents/guardians of the applicant so that all the factors which will support the application can be taken into consideration.

If you require any help before completing the form please do not hesitate to contact the Head at the school for either a brochure or further information. Please hand the completed reference, with the application form, to the parent(s). **The parent(s) should return all the required documents to The Clerk of the Governors (Admissions) by the 6 November 2009.**

Yours sincerely,

Frank McFarlane
