DATE OF NEXT REVIEW	December 2018

**Community, Compassion, Forgiveness, Friendship,
Thanksgiving, Trust**

Archbishop Blanch School Admissions Policy for entry from September 2019

Archbishop Blanch School is a Voluntary Aided Church of England School. Girls are admitted to Year 7 at the age of 11, and boys and girls to Year 12 at the age of 16.

How many pupils will be admitted?

Each year 150 girls are admitted to Year 7.

Category A1: Places will be offered to:

- i:* **Children with a Statement of Educational Health Care Plan (EHCP) where, following consultation with the Local Authority, the school is named in the EHCP ;**
- ii* **Children Looked After by the Local Authority;**
- iii* **Adopted children who were previously Looked After by the Local Authority (or those who have become subject to a residence or special guardianship order)**

Category B1/B1a: Christian applications* 124 places

**A Christian application is considered to be from families attending any Church in membership with, or sharing the statement of belief of Churches Together in Britain and Ireland, or in full sympathy with its Trinitarian stance.*

Category B2: Non-Christian applications (sub-divided below):	up to 11 places
B2a Muslim	up to 8 places
B2b Other World Faith	up to 3 places

Category C i: Applications for those with an aptitude for Music	up to 11 places
ii: Applications for those with an aptitude for Art	up to 4 places

Parents wishing to apply for an aptitude place **must submit their aptitude forms by the 10th September 2018** Aptitude tests will take place on 25th September 2018 for Art & 26th September 2018 for Music. Test results will be posted out on the 11th October 2018 to enable parents to make an informed decision before they submit the Local Authority and Archbishop Blanch School formal Application Forms.

Category D: All other applicants whose parents have expressed a preference for this school. (This category is implemented in the event there are not enough Applications to fill categories A-C)

Parents may apply for a place for their daughter under more than one main category if they choose. However they may only apply for **one** sub-category within each category.

THE CLOSING DATE FOR ALL CATEGORIES OF APPLICATIONS TO BE RECEIVED AT ARCHBISHOP BLANCH SCHOOL IS 31st OCTOBER 2018. National offer day for secondary schools – 1st March 2019. Letters will be posted to parents by the Local Education Authority.

Who will get the places in each category?

The Governors will offer places to pupils whose parents have filled in **both** the Archbishop Blanch Application form **and** named Archbishop Blanch School as one of the three schools on the Local Authority Form. In the event of more pupils applying in each category than there are places, the following over-subscription systems will be used to decide who gets the places.

Christian Applications (Category B1)

Information will be gathered from an appropriate official of religion to confirm attendance of the parent and child at church. A points system will be used to score each application form.

Christian Self Certification Applications (Category B1a)

If, and **only in exceptional circumstances, an applicant cannot obtain written confirmation of attendance at church from a minister or religious leader**, the governors may accept the parents'/carers' self certification of their family's **church attendance**. In this instance, you are required to submit as much supporting evidence as possible *e.g. certificate of reception into the church, baptism, communion and confirmation certificates*. Other evidence **should** include *altar server certificates, letters of support from Sunday School or Children's Liturgy, Eucharistic Minister etc.* Without this supporting evidence to reinforce Self Certification, your application cannot be considered under this category.

Should two or more girls secure exactly the same number of points in each of the areas where points are awarded, the selection tie-break as to which girl(s) are offered a place will be determined by straight line proximity of the permanent home address to the school; the distance will be measured using the Local Authority's computerised system.

Muslim Applications (Category B2a)

Information will be gathered about attendance at worship of a parent and child from an appropriate official of religion. A points system will be used to score each application form. Should two or more girls have secured exactly the same number of points in each of the areas where points are awarded, random selection will be used by a draw (supervised by an independent member of the Local Authority) to determine which girl(s) is/are offered a place.

Other World Faith applications (Category B2b)

Information will be gathered about attendance at worship of a parent and child from an appropriate official of religion. A points system will be used to score each application form. Should two or more girls secure exactly the same number of points in each of the areas where points are awarded, the selection tie-break as to which girl(s) are offered a place will be determined by straight line proximity of the permanent home address to the school; the distance will be measured using the Local Authority's computerised system.

Academic applications (Category C)

Tests will be used to determine whether or not aptitude in Music or Art has been Demonstrated. Pupils who have not shown aptitude will be considered under other appropriate criteria i.e. *faith or expressed interest*.

Should girls achieve identical scores in the aptitude test any points awarded under the religious criteria (if an application has also been made under this category) will determine who is admitted, with higher scores having priority over lower scores, and with Christians given priority over Non-Christian Faith applicants. In the event that we are unable to separate different applications, the selection tie-break as to which girl(s) are offered a place will be determined by straight line proximity of the permanent home address to the school; the distance will be measured using the Local Authority's computerised system.

Other Applications (Category D)

All other applicants whose parent(s) have expressed a preference for the school will be considered for any unfilled places in the above categories. The selection tie-break as to which girl(s) are offered a place will be determined by using a random draw to determine which girl(s) is/are offered a place.

How can I apply for a place in the Sixth Form?

See Appendix and Sixth Form Prospectus.

What happens if I am refused a place?

In the event of parents being refused a place for their child, they have the right of appeal to an independent panel. Information explaining how to appeal will be sent to unsuccessful applicants on request or can be downloaded from www.abblanch.com

Can I apply for admission part-way through a school year?

Applications for a transfer to a Year Group between Years 7 – 11 will be considered for all Categories *except* Category C (aptitude in Music *or* Art). If the year-group in question is full, the application can be added to a waiting-list for that category and that year-group. Each application will remain on the waiting list for one term. It is up to the applicant to reapply if they wish to remain on the list. Again, the waiting-lists will be ordered in categories using the same criteria as for normal admissions. For any particular child, only one appeal will be considered per academic year, unless there have been significant and substantial changes to the child's circumstances.

ALLOCATION OF POINTS FOR FAITH APPLICATIONS

The term 'parent' in this context is considered to be a parent, grandparent/spiritual parent or carer/legal guardian of the girl in question.

CHRISTIAN APPLICATIONS

	On average WEEKLY	On average TWICE MONTHLY	On average MORE THAN ONCE A MONTH	On average ONCE A MONTH OR LESS
Child's attendance in 2018	12	10	8	6

Attendance of parent & child in 2018	12	10	8	6
At least fortnightly attendance of parent & child in 2017		YES = 5	NO = 0	
At least fortnightly attendance of parent & child in 2016		YES = 5	NO = 0	
At least fortnightly attendance of parent & child in 2015		YES = 5	NO = 0	
MAXIMUM POINTS AVAILABLE				27

Criteria for Admissions into the Sixth Form

Sixth Form Statement of Principles

Archbishop Blanch is a Christian school founded within the Church of England. As a school, we believe wholeheartedly in our mission statement:

“We are one community showing the love of Christ through Friendship, Compassion and Thanksgiving.”

Whilst religious commitment is not a requirement for admission into Sixth Form, all students participate in the celebration and worship that is part of our school life.

Conditions for admission

The majority of students from Year 11 will continue their studies at Archbishop Blanch. Interest from external applicants is very welcome and arrangements can be made to tour the school during open evening or by individual appointment.

Sixth form courses are very demanding, therefore excellent attendance (minimum 97%) is expected throughout the period of study. Individual guidance meetings will also support students to make the correct course choices and allow for discussion on future aspirations to ensure the needs of each individual are fully met.

Academic qualifications and experience are important factors in determining a student's suitability for a course. Different courses have their own admissions criteria which will be discussed at interview. This is to support the transition from level 2 to level 3 qualifications. For entry onto A Level courses, a minimum of 5 GCSEs grades 9 - 5 or A* - C (including English and maths) will be required, though this will be discussed alongside course choices at interview

All students must meet the entrance criteria for their chosen courses and demonstrate their support for the ethos of the school.

Admission is by application form and then interview.

The planned admission number of students to be admitted to Year 12 in September 2019 is 140.

Priority in admissions

Students coming into the Sixth Form from Year 11 in Archbishop Blanch are given priority over students from other schools but must meet the criteria above which apply to all admissions. Archbishop Blanch accepts all current pupils who have demonstrated their support for the ethos of the school and for whom a suitable course is available.

Application Form

Application forms for Archbishop Blanch sixth form can be found in the sixth form section of the website.
