21 March 2016

Dear Parent/Carer

There seems to be some confusion regarding the break and lunch time arrangements that have been put in place over recent days.

As you know we pride ourselves at Archbishop Blanch School on the excellent behaviour that our students display and we work hard to ensure that high standards are maintained and encouraged. Over recent weeks we have noticed a build-up of litter in school as well as large groups of students congregating in small areas of the school, rather than taking up the opportunity that has always been there, of using our fantastic facilities outside. As the weather is getting warmer and spring is on its way, we have made the decision that students will now use the outdoor facilities, as well as our dining room and bistro to enjoy their break and lunch time. Students are able to visit the toilet, lockers and purchase food in the normal way.

We are working with the Student Council to develop ideas as to how we can use our internal space so that our students are happy and safe and that also our building is respected.

I hope this goes some way to clarify the situation.

Yours sincerely

Miss H Duggan
Headteacher
