Dear Parents/Carers

On 9th January 2019, Archbishop Blanch CE High School welcomed Ofsted for a one day Section 8 Ofsted inspection. During a short inspection, the grading of the school cannot be changed, so the school remains "Good". However, it was identified that we have "demonstrated strong practice and marked improvement" since our previous inspection in May 2015.

Therefore, the school will now have a Section 5 two day inspection, any time before May 2020, to determine whether the school's grading can be changed to "Outstanding". This is the best possible outcome a school can hope for at the end of a Section 8 inspection.

I am delighted to attach a copy of the letter I received from Her Majesty's Inspector outlining the findings from the day. I feel very proud of the staff, students, governors and parents for their involvement in the improvements we have made in our school as we aim to provide the best education for all of our pupils.

Yours sincerely

Mrs C Madeloso
Acting Headteacher
