September 2018

Dear Parent/Carer

As part of the school's Personal, Social and Health Education (PSHE) Programme, your daughter will be receiving lessons on relationships and sex education (RSE). The content of these lessons cover a range of topics including healthy relationships, body image, sex and contraception.

The school is committed to working in partnership with parents.

Parents who have concerns about the relationship and sex education (RSE) lessons are invited to contact their daughter's Progress Leader to explore their concerns and discuss the content of the lesson.

Nowadays, there is a vast amount of, sometimes confusing, information about relationships and sex on the internet, on TV, in magazines, etc which young people may have access to, and this can sometimes make an already confusing time seem even more complicated!

If young people can make their transition into adulthood with good information and the confidence and knowledge to understand what is happening to them, they will hopefully grow into confident and healthy adults able to make positive choices. The sessions in school may reinforce what you are already doing at home.

Yours faithfully

Mrs K Graham
Assistant Headteacher
