ARCHBISHOP BLANCH CE HIGH SCHOOL COVID-19 STUDENT CHARTER

This charter sets out expectations to ensure the safety of pupils and staff at Archbishop Blanch during the ongoing Coronavirus pandemic.

1. I will familiarise myself with the areas of school that I am allocated as part of my bubble and will not stray from these areas.
2. I will only enter and leave the school through my allocated door and only use my allocated stairwell.
3. I will not mix with pupils from other bubbles / year groups.
4. I will sanitise / wash my hands regularly; on entry, at break and lunch both before and after I eat and on leaving the building.
5. I will follow the guidance of 'catch it, bin it, kill it'
6. I will respect the guidelines to socially distance 2 metres from staff.
7. If I have any symptoms of Coronavirus I will tell a member of staff. (A new continuous cough, a temperature, a loss of taste or smell). I will not say I have symptoms if I do not.
8. I must bring my own equipment to school. This includes a black pen, pencil, ruler, eraser, whiteboard pen, planner, glue stick, coloured pencils, protractor, compass and calculator. I will not share equipment with other pupils or staff, including stationery, water bottles, food etc.
9. I understand that lockers are not in use. I will carry everything I need in my bag (of an appropriate size and style)
10. My mobile phone **must** be switched off, **remain** switched off for the duration of the day and be out of sight at all times (either in a bag or pocket). I recognise that my mobile phone will be confiscated if it is visible or in use. It will only be returned to a parent at the end of the day.
11. If I wear a face-covering outside school, (for example on public transport) I will remove it on entry (in line with DfE guidance) and either put it in the bin if it is disposable, or store it safely in a zip-lock plastic bag.
12. I will conduct myself with the same high standards of behaviour and courtesy expected at ABS, as outlined in my planner.
13. If I have PE, I will wear my kit to school.

I understand the importance of adhering to these rules for the health and safety of all the members of our school community.
