Dear Parent/Guardian

I am writing to inform you of an exciting new study skills programme, which our Year 11's will be taking part in from Elevate Education. Drawing upon over 15 years of research into the habits of the country's top students, Elevate's high impact seminars and workshops help students improve their study techniques, increase motivation, build confidence, and lift exam performance.

There will be two 1 hour workshops for our Year 11 students which will be followed up with weekly modules delivered by form tutors:

1. Ace your exams Wednesday 13 March 2019
2. Memory Mnemonics Wednesday 3 April 2019

We will also be offering a parent workshop to you on Monday 25 March 2019 from 6-7pm. The main objective of this is to inform you how your children could be studying more effectively and how you can support this at home. This session will look at the study environment, technology and distractions and how to maintain motivation throughout the exam period. To be of maximum benefit to our students we would like as many parents as possible to attend.

Please confirm via the slip below if you will be able to attend this session.

Yours sincerely

Mrs S O'Shea
Year 11 Progress Leader
