SCHOOL

5 November 2018

Dear Parents/Carers

During the week beginning 19 November 2018, your daughter will be sitting her mock GCSE examinations in school.

This is a critical week as it allows staff to build an accurate picture of how each child is progressing in Year 11.

The week will in many ways be a pressured week for students as they will be sitting exams that in some cases will last for more than 2 hours at a time. However, staff have been working hard to prepare students for the mock examinations and the Information Evening for Year 11 Parents was designed to help you to support your child in this vital year of her education.

We will be on hand to support students during the week, developing the routines required for success in the summer. At home you can help by ensuring that your daughter has a good breakfast, the correct equipment for success and a positive attitude towards the week.

As always your support is much appreciated.

Yours sincerely

Mrs C Madeloso
Acting Headteacher
