6 October 2015

Dear Parents/Guardians:

What an exciting month it's been! It's hard to believe that it's been barely more than a month since we officially received the keys to our wonderful new building. And, while our glorious new facilities are certainly enhancing teaching and learning in our school, it's really the students who create the excitement, energy and ethos that is Archbishop Blanch School.

It has been a privilege to watch students adapt to and settle into our new home- playing hockey on our state of the art pitches, learning dance routines in our specially designed studio and engaging with the latest classroom technologies. In essence, we are creating a community of learners, which just happens to be our core value for this term.

I would like to take this opportunity to share with you some developments which will further enhance our school community:

- For the first time our students are benefitting from dedicated school buses from across the city, and I'm delighted to announce that as of Monday, 5 October the 618 bus service will now be served by a double decker bus.
- The 600 service will depart school five minutes earlier at 2:40 pm.
- Our school website has been updated- please take a look! It's still to be found at the former address of www.abblanch.com and I am confident you will find this user friendly and a reliable source of information.
- You can now follow us on Twitter at @abblanchschool for up to date news and events.

May I thank you for your continued support.

Yours sincerely

Miss H Duggan
