4 March 2020

Dear Parents/Carers

I am writing to provide an update from school regarding the Coronavirus.

This year, we have not had any trips or visits to any of the areas identified by Public Health England as "high risk". Therefore, we are following advice from the DfE (Department for Education) and Public Health England (PHE) regarding the prevention of the spread of the Coronavirus.

The spread of the infection is most easily avoided through good hygiene. Regular and effective hand washing or the use of alcohol hand sanitiser will limit the spread of any infection. The use of disposable tissues for covering coughs or sneezes will also limit the spread of this disease.

For those students sitting external examinations this academic year, the exam contingency date is 24 June 2020, please make a note of this.

If you have any concerns regarding yours or your child's health, please follow the NHS advice that can be found at <https://www.england.nhs.uk/ourwork/epr/coronavirus/> and contact the school by telephone.

Further advice can be found at:

<https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19/guidance-to-educational-settings-about-covid-19>

I will only make further contact regarding the Coronavirus if there is additional significant information to give to you regarding the organisation of this school.

Yours sincerely

Mrs C Madeloso
Headteacher
