Dear Parents/Carers

On Tuesday, 8 October all year 9 students will be taking part in a workshop entitled 'Safe Online - From Fake News to Extremism in a Digital Age'. This hour long session aims to equip young people with the understanding of how the internet is used to spread extremist messaging and how to tell if information online distorts the truth, and what to do if you see online material that promotes extremism.

We would encourage you to support you daughter's learning by engaging in conversations about the workshop at home.

Thank you for your continued support as we educate our students to be responsible citizens in the modern world.

Yours sincerely

Mrs K Graham
Deputy Head

Ms C Madeloso
