Please be aware, due to COVID19, we will be introducing certain changes to your shopping experience when you visit our stores. We will only be allowing one parent/guardian with every child in the store and only six people in the store at any one time and keeping to the social distancing recommendations while in the store.

These special measures are for your safety and the safety of our staff and will, inevitably, cause delays. For that reason we have introduced a system where you can email us your order. Once your order has been received you will be contacted for payment over the phone. Your order will then be picked and packed, ready for collection, and you will be contacted via text message/email and given a collection slot.

Trutex at AMJ, London Road and Trutex at Liverpool Schoolwear, St. Mary's Road/Aigburth Road are both outfitters appointed by Archbishop Blanch School, but are **completely separate companies**. You will not be able to order from one shop, then collect or swap from the other.
