To whom it may concern,

This form has been sent to you so we may seek further information regarding the parental attendance at Mosque.

When applying our admissions criteria, the Governors rely heavily on information from local religious leaders. We appreciate that this request may place you in a difficult situation and that individual circumstances and policies vary considerably.

The Governors suggest that this form be completed after consultation with the parents/guardians of the applicant so that all the factors which will support the application can be taken into consideration.

*The period specified for attendance at worship for 2025 admissions is 2020, 2022 2023 and 2024. During the period specified for attendance at worship churches have been closed or limited capacity for public worship has been in effect, so it is not possible to calculate fairly or accurately the points available for attendance at worship. Therefore, where points are allocated for 2020, they will be given up to 20<sup>th</sup> March 2020, with no points available for any applicant for 2021.*
